

# MIS-D 75 VESA mounting kit

for SDS-101 Digital Signboards (Part number: SDS-VESA75)

## Highlights

- ♦ **Sturdy metal construction**
- ♦ **Fits SDS-101 Digital Signboards**

The MIS-D 75 VESA mounting kit provides a secure and standardized way to install SDS-101 Digital Signboards.

This provides a professional alternative to the original display stand, facilitating wall mounting and flexible display angle adjustments.

Kit includes mounting plate, pre-attached adhesive strips, and installation instructions.
